“Brain wellness software for seniors: What works and what doesn't - Lessons learned”

Presented by:

Yuval Malinsky, MBA
CEO, Vigorous Minds, Inc.
Newton Massachusetts

Monday, September 23, 2013, Noon – 1:00 PM
CTRB, Classroom 2161

Lunch Provided

Learning Objectives: At the conclusion of this presentation, participants should be able to:
1. Recognize the experience using cognitive training (based on multiple randomized controlled trials and other experiments)
2. Define a comprehensive approach to brain wellness
3. State what software can do to help seniors maintain brain wellness

Mr. Malinsky has disclosed that he is Founder, CEO, and main shareholder of Vigorous Mind, Inc. Mr. Malinsky is also an employee of Vigorous Mind, Inc. No one else in a position to control the content of this activity has any financial relationship(s) to disclose.
