“Acute Care for Elders (ACE): Function Does Matter!”

Presented by

Robert Palmer, M.D., M.P.H
Professor of Internal Medicine
Eastern Virginia Medical School
Norfolk, VA Monday, April 13, 2015
12:00 pm to 1:00 pm
Room 2161
Clinical Translational Research Building (CTRB)

Lunch will be provided

Learning Objectives: At the conclusion of this presentation, participants should be able to

1. Describe the basis for the dysfunctional syndrome during hospitalization
2. Summarize the evidence supporting the effectiveness of ACE to prevent immobility and functional disability
3. Discuss benefits of ACE on important outcomes of hospitalization
