“Reflections on the implementation of geriatric principles in a busy inner-city emergency room”

Presented by

Dr. Joel A. Sender

Monday, November 14, 2016
12:00 pm to 1:00 pm
Room 2161
Clinical Translational Research Building (CTRB)

Lunch will be provided

Learning Objectives: At the conclusion of this presentation, participants should be able to:

1. Develop an understanding of the challenges and obstacles encountered while performing geriatric evaluations in the setting of an Emergency Department.
2. Consider which parts of the relationship between Geriatrics and the Emergency Department best supported the success of the program.
3. Become familiar with the range of possible outcomes, and understand which ones might apply more specifically to your set of patients, hospital, and community.

Dr. Sender has disclosed no relevant financial relationships. No one else in a position to control content has any financial relationship(s) to disclose.

CME Information:

Accreditation:
The University of Florida College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit:
