Learning Objectives: At the conclusion of this presentation, participants should be able to:

1. Discuss the economic impact of Florida's aging population
2. Describe some of the unique challenges of aging in Florida
3. Recognize primary local, state and federal policy issues that AARP is focusing on to encourage more successful aging.

Mr. Johnson has disclosed no relevant financial relationships. No one else in a position to control content has any financial relationship(s) to disclose.
