“Creating a Culture of Hospital Mobility”

Presented by

Cynthia Brown, MD

Friday, April 27, 2018
3:00 pm to 4:00 pm
Clinical Translational Research Building (CTRB)
Room 3161

*Food and refreshments will be provided afterward, during the 8th Annual Spotlight on Aging poster sessions in the CTRB lobby

Learning Objectives: At the conclusion of this presentation, participants should be able to:

1. Identify potential patient-related and system-wide barriers to the promotion of hospital mobility.
2. Summarize the available evidence of the known benefits and harms of promoting hospital mobility in older adults.
3. Determine the necessary components for culture change within a hospital/health system as it relates to patient mobility.

Dr. Brown has disclosed no relevant financial relationships. No one else in a position to control content has any financial relationship(s) to disclose.
